DEDICATION

FIRST as a student, later as a teacher and administrator, and now as principal, Mr. Merritt Heminway has demonstrated his dedication and devotion to the Amat family. He is a friend . . . to students, faculty and parents alike. Always responsive to a student's needs, he takes time to listen. He guides and encourages, and always gives of himself.

The staff of the Tusitala takes great pride in dedicating this 1982 edition to Mr. Merritt Heminway —

A man who believed in his dreams and made them his realities.

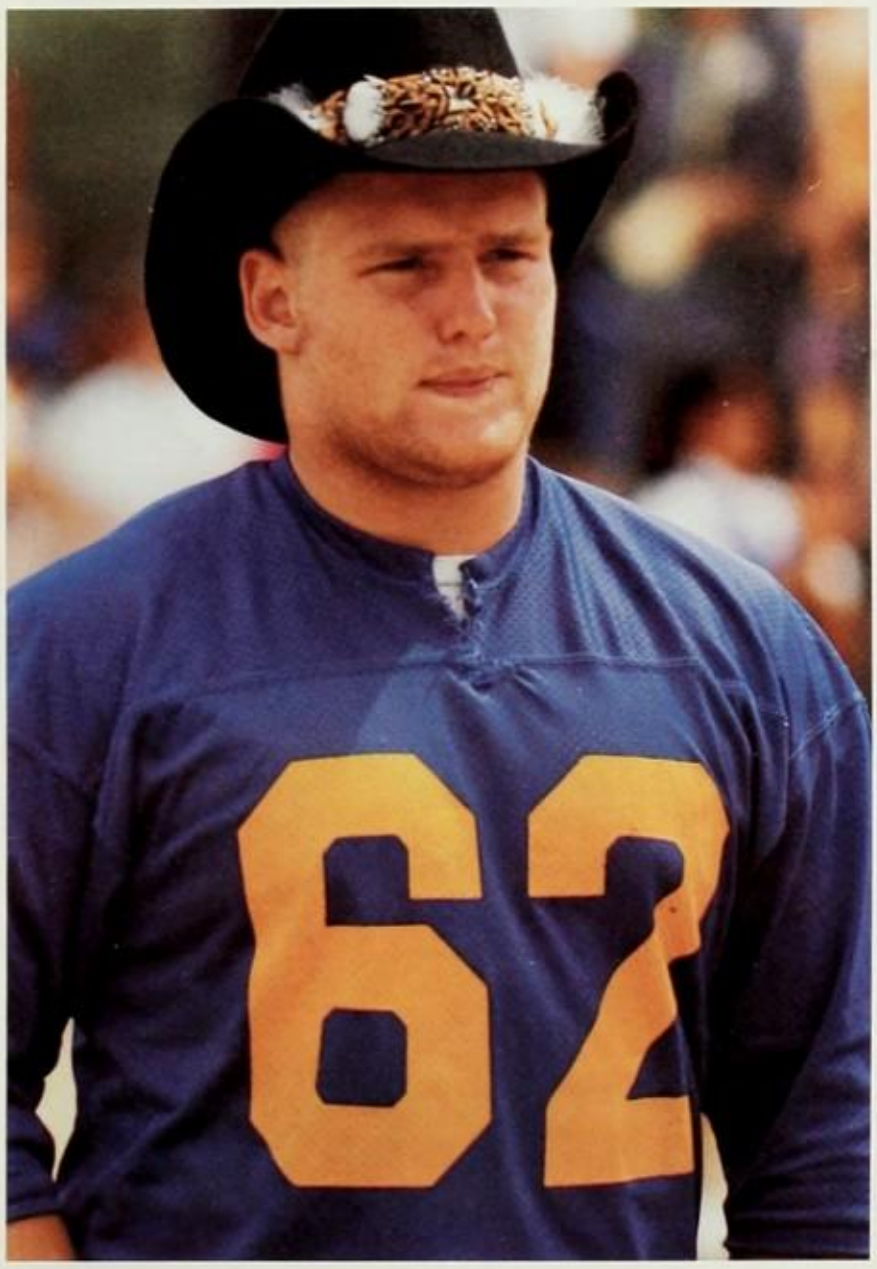
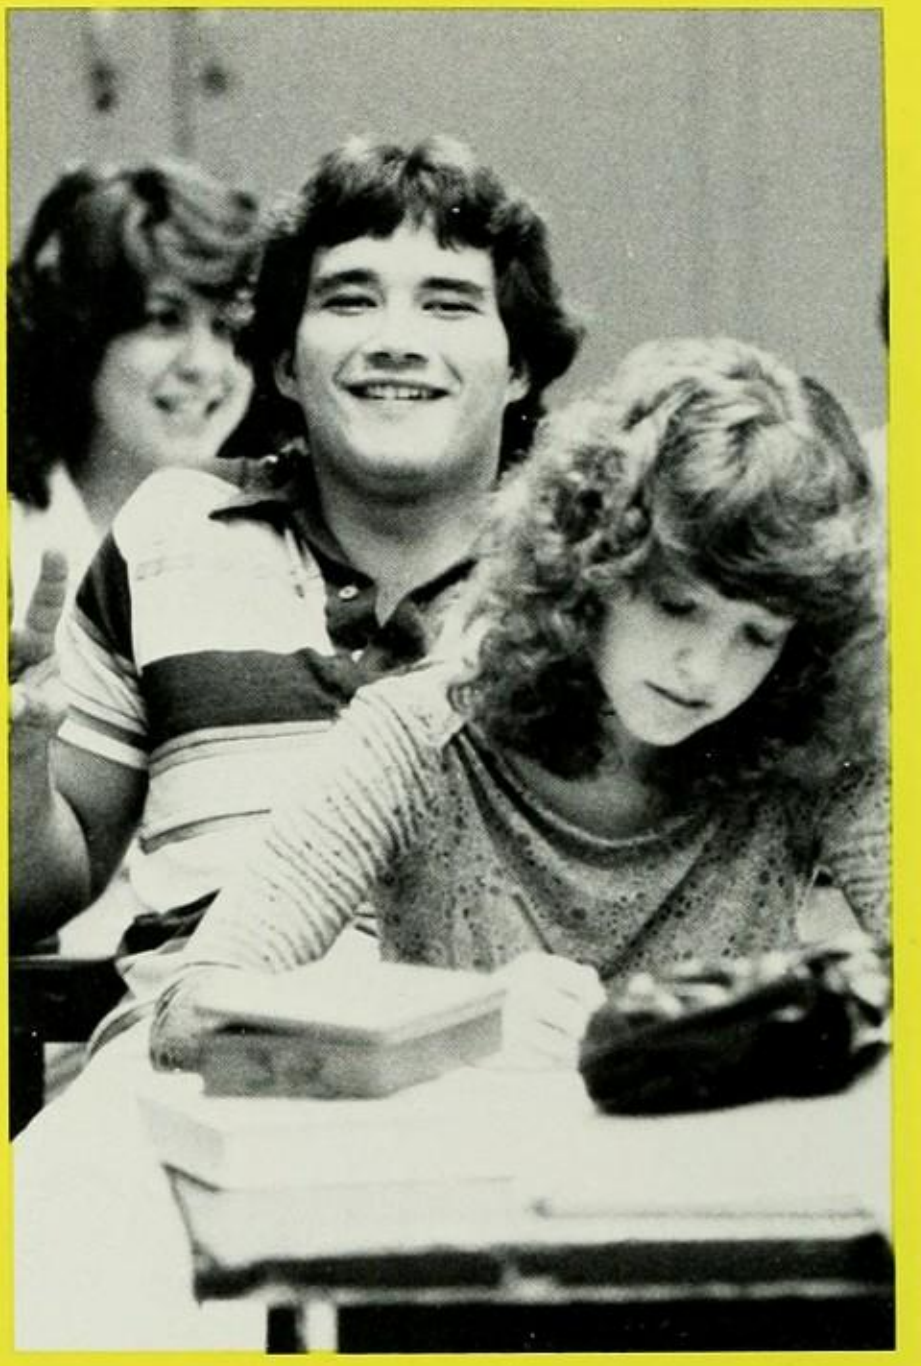
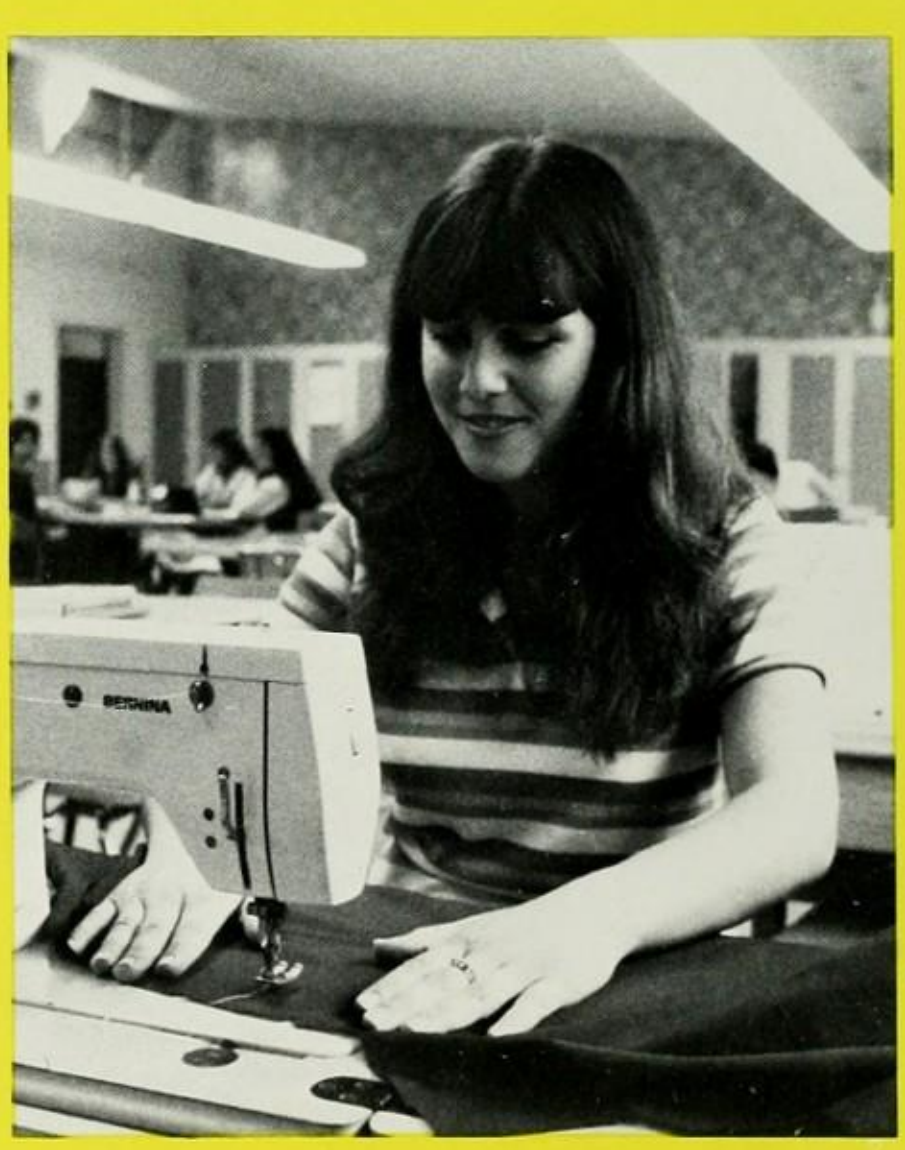
summer/fall activities

The year begins with a dream: to be the best, and slowly, through our pride and spirit, the Amat students' dream becomes a reality.

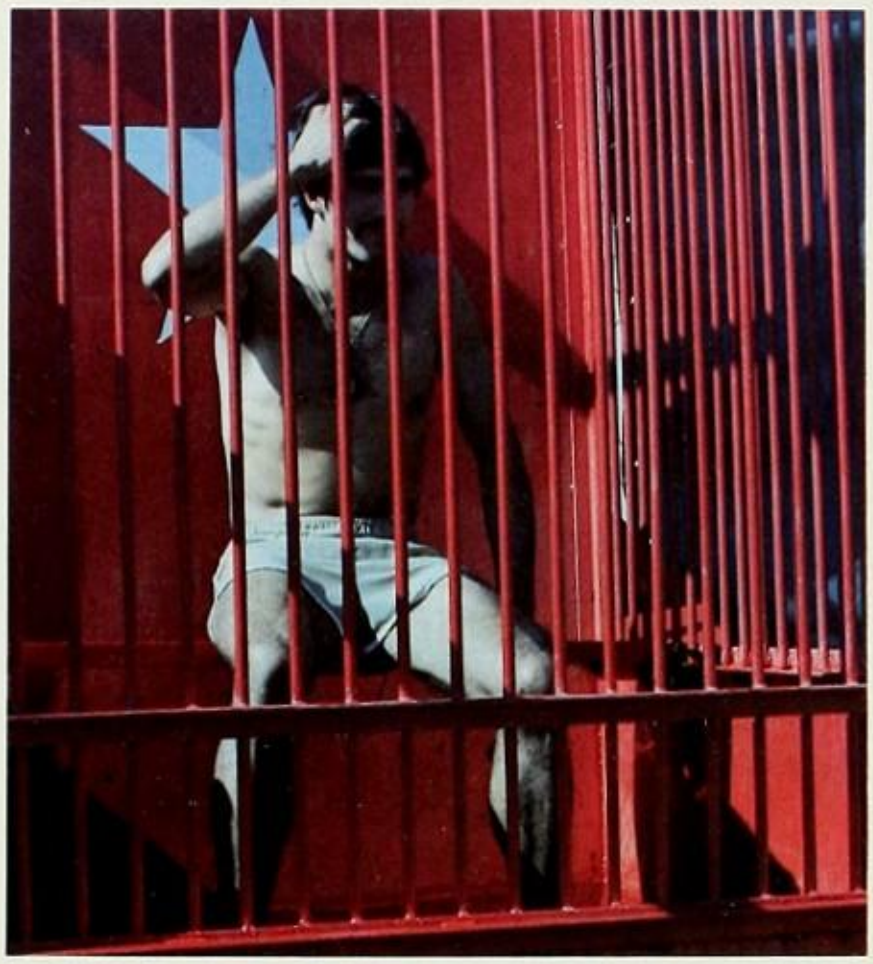


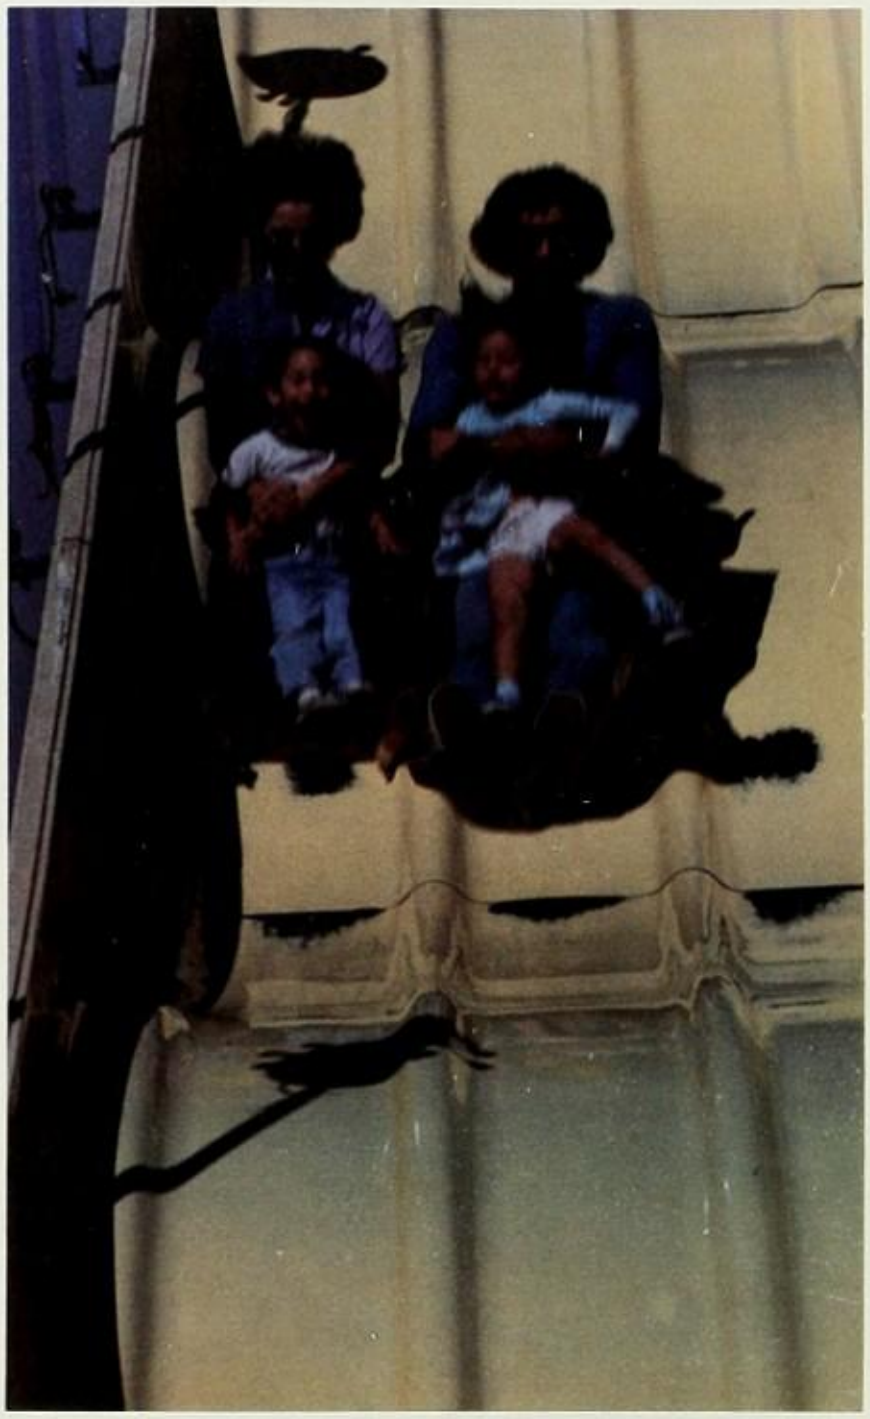
62

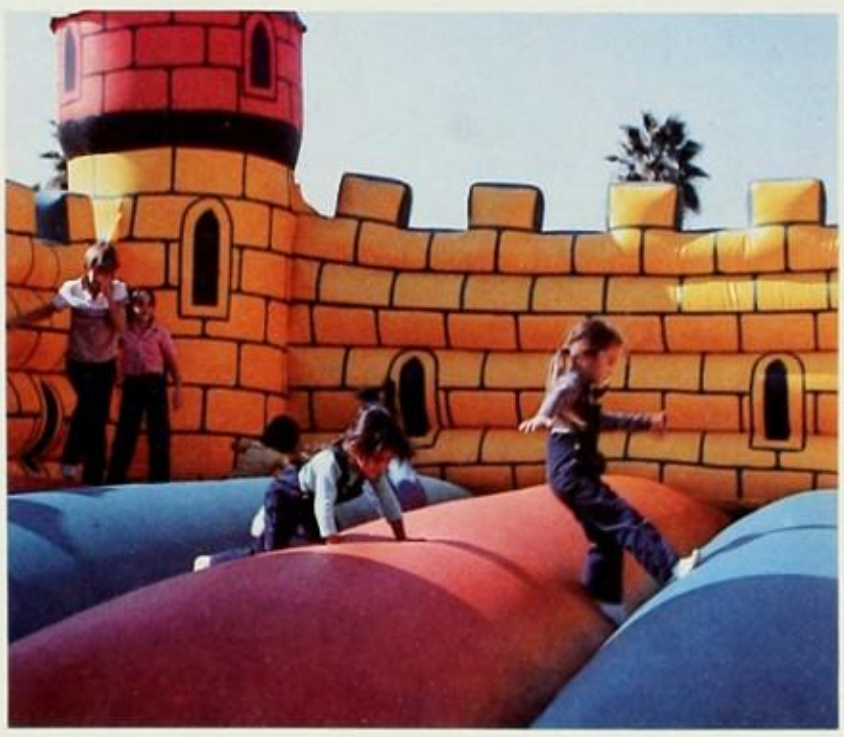


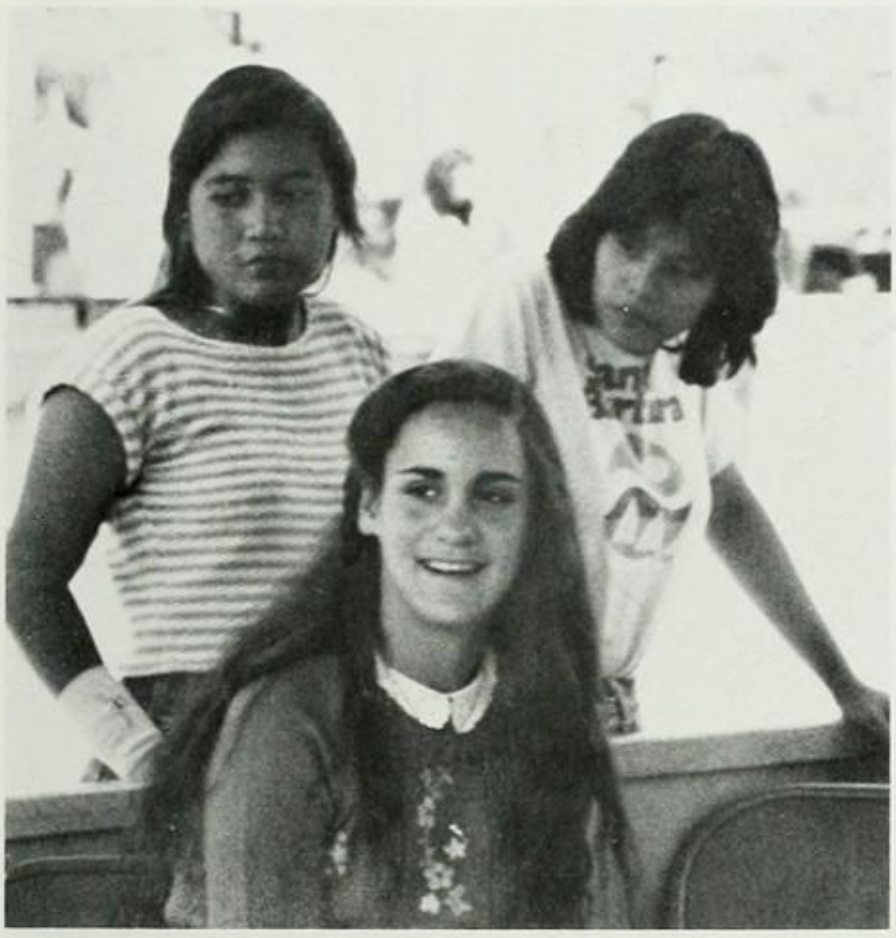


The pageantry of yesterday's festivals . . .



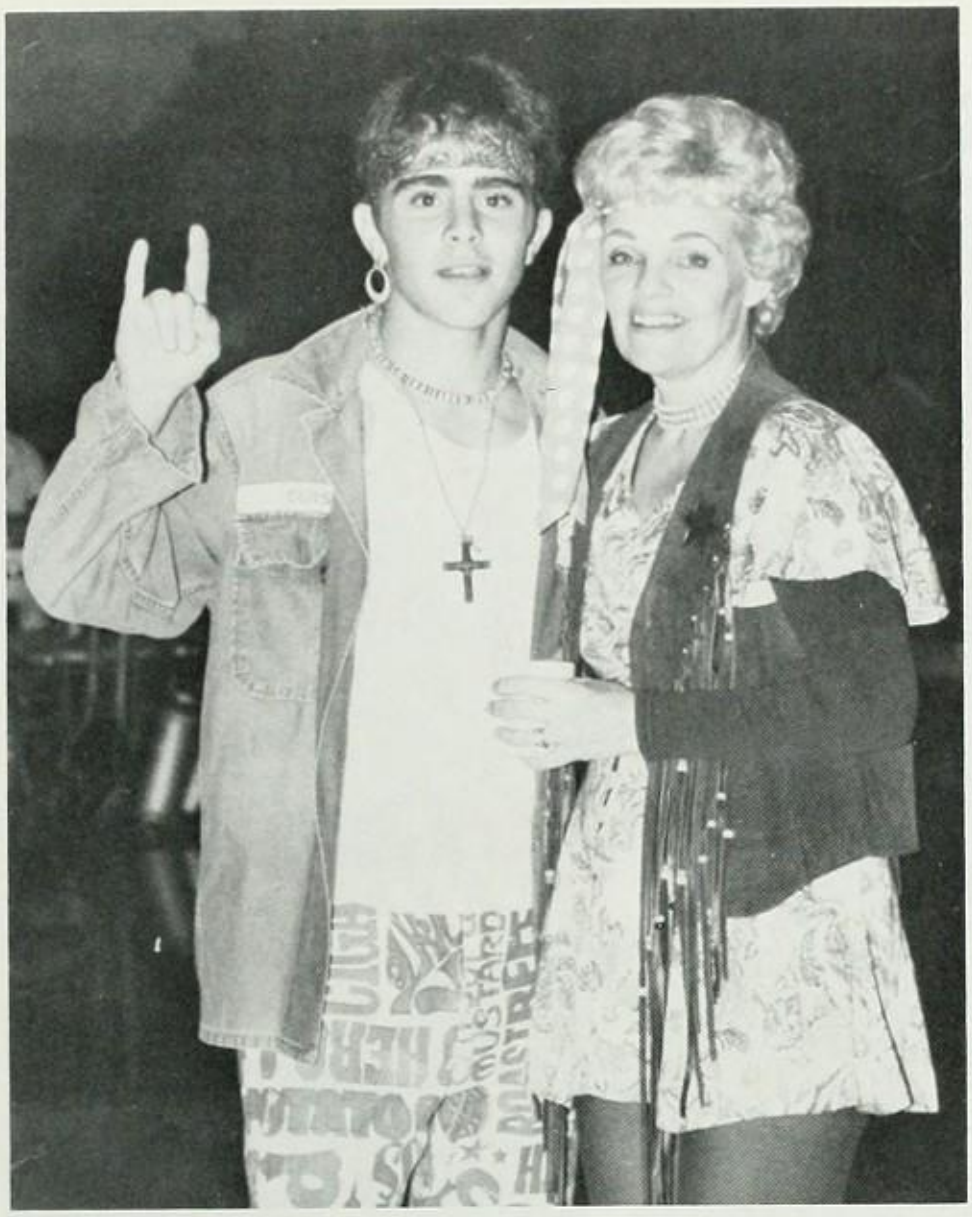






. . . **Comes alive during Amat's annual fiesta.**

MOTHER SON DANCE



In feudal times when a noble would throw a ball, the guests would come in masquerade. This custom was again revived at the Mother-Son Dance this past fall. The highlight of the evening was the awarding of the MOTHER OF THE YEAR which was bestowed upon Mrs. Mendoza. (opposite page top).

RALLIES GENERATE SCHOOL SPIRIT

In the Dark Ages, people would gather in throngs to hail their champion knights in combat. This ancient tradition continues today as Amat students attend rallies to cheer their victorious Lancer teams. These rallies proved to be a great success in building school spirit as well as aiding our teams in their quest for victory.

Excitement was in the air as a capacity crowd of alumni and students filled Keifer stadium. The pageantry of the half-time activities was highlighted by the crowning of Michelle Colucci as 1981 Homecoming Queen. Maryanne Carrillo bestowed upon Michelle the reign of the 1981 - 82 year. The evening was a complete success as the Lancers blistered the Friars 28-13.

The entire evening was one which will be remembered for years to come.

Karen: Thanks for all your participation in the Latin Club. You've made it worthwhile. I hope I have you in some classes next year at least. (Good luck on the Latin exam.) The Latin Club & all are fun, safe, and sunny at Lanterman. Have a fun summer. Stay Cool. Kit. 337-4039

This staff of hard-working individuals are responsible for much of the behind-the-scenes work at Amat. The Amat family is grateful to have such dedicated people working for the school.

YESTERDAY'S DREAMS,

In keeping with this year's theme, the Tusitala Staff asked the Amat Faculty the question, "when you were in high school, what was your secret ambition or dream?" We got some very surprising answers, including these:

Mrs. Schutz...a physician;
Mr. O'Conner...a fireman;
Mrs. Fernandez...a clarinet player in a symphony orchestra;
Mrs. Brys...an actress
Miss Lopez...a physician, "I took chemistry my senior year and my dream was shattered.";
Mr. Parsons...John Wayne;
Mrs. Leiva...a journalist;
Sr. Carmelina...a famous and glamorous singer;
Mrs. Gonzales...a scientist;
Mr. Poettgen...a pro-football player;
Mrs. Minto...a missionary;
Mrs. Chameis...a lawyer;
Mrs. Gutierrez...a secretary, and later a nun;
Sr. Sheila...to be married and have 12 children;
Mr. Hemenway...a statistician for the LA Dodgers.

A moment comes in time and a dream is born.
A dream to climb mountains, to raise buildings,
to span the universe, to serve and to create.
It is a dream that pushes us forward — into
times of hardship and times of victory.
A dream which will benefit not only ourselves
but those we come in contact with as well.
It is a dream of life and a dream of peace.
But a dream is only a dream without action and
pursuit, without spirit and work, without
determination and belief.
A dream needs the ambition of young men and women
with the courage to be different.
As yesterday's dreams became our realities, so
must we build our dreams for tomorrow.
We are the builders of those dreams.
We, the 1982 graduating class of Bishop Amat, are
the builders of tomorrow.

-Anita Rodriguez

JUNIOR HOMEROOM PRESIDENTS: (left to right) Patricia Moya, Ana Ortiz, Tom Cusick, Lorraine Musekamp, Regina Baca, Rebecca Montoya, Lily Tan, Kirsten Levingston, Phillip Cardona, Lisa Ricotta, Becky Reyes.

"It is time for a new generation of leadership, to cope with new problems and new opportunities. For there is a new world to be won."

John F. Kennedy

A world to be created and a world to be won, by people with dreams and the potential to make them come true. Bishop Amat's class of '83 has proven to be the group of leaders who can make the tomorrows that will stand out in time. The juniors have come a long way since they first stepped on campus 3 years ago and as each class that has entered before them, they have not only grown from the experience but have given to Amat in return.

We are the music-makers,
And we are the dreamers of dreams,
Wandering by lone sea breakers,
And sitting by desolate streams;
World-losers and world-forsakers,
On whom the pale moon gleams:
Yet we are the movers and shakers
Of the world forever, it seems.

The class of '85, young and eager individuals who have brought to Amat their ambitions and dreams for the years to come. The freshmen class has shown the enthusiasm and spirit that is so characteristic of Bishop Amat and so necessary to meet the challenges that life has to offer. They are the link and they are the hope to the future unknown. They are the people who take the chance to carry on what others have begun. Although times will come when progress seems slow and the efforts of these zealous freshmen seem to result in single steps, we will always know they are moving towards a greater destiny. In the words of John F. Kennedy:

"The journey of a thousand miles must begin with a single step."

PEP SQUADS SPRINKLE

AMAT WITH GOOD CHEER

The fair maidens comprising the 1981-82 Pep Squads were victorious in many a competition this past summer. Varsity Cheer, Song, and Flag Squads earned first place awards and Junior Varsity Cheer brought home the spirit award to round out the summer victory.

At games, the Pep Squads' bright smiles and high kicks kept Amat supporters in the right spirits. Clad in Amat blue and gold, armed with only a pom-pom or a flag, the Pep Squads gallantly cheered the teams in battle. Through the good and the bad, the Pep Squads kept on smiling.

Pep Squads spirit shines through . . .

The Golden Lancer Band, which represents our school at many functions throughout the year, will for the first time in Amat history have a place to call its own. The Performing Arts building located adjacent to Kiefer Stadium will be the future site of many musical activities to come. The Bishop Amat Band holds true to the motto which summarizes the attitude of the school: "God gave us talent, so Be Proud."

Much like the knights of medieval days gone by, the 1981 Bishop Amat football team prepared in great lengths to do weekly battle against Angelus League and other CIF foes. Beginning with summer weightlifting, and continuing with three-a-day conditioning this was a team with only one purpose and that was to win the Angelus League Championship. Through hard work, dedication, blood and sweat the Lancers had a successful season which resulted in many thrills, memories and victories. Like the squires of olden days the Lancers learned a valuable lesson before entering the season and that was "NOTHING TAKES THE PLACE OF WINNING!"

This year our Golden Lancers played one of their toughest schedules ever. Eight of the ten teams Amat played went on to the playoffs. After winning four of five league games the Lancers face a tough Loyola Cub team in the first round of the playoffs. Amat emerged victorious and went on to face highly rated Marina the following week. On a water soaked field, the Vikings edged our Lancers 21-14 with a last minute drive enabling them to score in the last 25 seconds of the game. The heartbreaking defeat ended the team's dream of attaining the prestigious C.I.F. Big 5 Conference crown.

A.S.B. OFFICERS

The year started out as a dream. A dream full of hope and wonder. As the year progressed the dream became a reality. There were many hard times but with the strong leadership of the four Associated Student Body Officers-John Frazzette, Larry Bautista, Ricky Bluthenthal, and Susan Stapleton-they managed to work through it. Of course, these leaders did not work alone, they had the help of the A.S.B. Commissioners and the A.S.B. Committee. They dedicated many long hours to better the school. Together with their moderator, Mr. Guante, they worked hard to promote school spirit, participation and a Christian way of thinking among the students of Bishop Amat.

Student Council organized many of this year's activities from rallies to Masses and from clubs to Pep Week. They have strengthened the bond between the faculty and the student body.

The Associated Student Body has worked side by side to make the year 1981-1982 a reality.

This club is a combination of sophomores, juniors, and seniors who show strong leadership potential and possess high scholastic achievements. These students serve the student body of Bishop Amat by tutoring students. Some of the club's many activities planned for this year were C.S.F. Night at Disneyland, the publication of "Reflections," and the making of Easter baskets.

After four semesters of membership the students will graduate with honors. Being a member of C.S.F. benefits the students in such areas as scholarships, colleges, and future occupations.

OFFICERS: Edeanne Link-Treas., Karen Werner-V. Pres., Margarita Lontok-Sec., Susan Serdarusich-Pres.

CREATIVE DANCE

The Creative Dance Club was established to teach its members the different styles of dancing. Along with their moderator, Miss Stanzione, the club works on perfecting basic forms of dance through weekly workshops. The members learn and share these different styles of dance.

The club's Christian Service project for the year was to give the women of Skid Row clothes and other items of need.

OFFICERS: Deneen Viera-Sgt. at Arms, Renee Belgarde-V. Pres., Marcy Vasquez-Pres., Dawn Frederickson- Sec., Cindy Roughet-Treas.

DRAMA CLUB

Since olden times, people have had a need to express themselves creatively, such as the traveling minstrel troops. Amat students aren't so different, therefore, the Drama Club is one of the largest clubs on campus. Aside from the performing arts such as singing and acting, production skills, such as set design, costuming, makeup and lighting are emphasized.

The Christmas Show was the Drama Club's Christian Service project. The play included scenes from the Bible, Little Women, A Christmas Carol, The Littlest Angel, and a Charlie Brown Christmas.

The Drama Club's biggest production is the Spring Musical, which is Oscar and Hammerstien's "Oklahoma."

OFFICERS: Marianne East-Treas., Ann Holbrow-Sec., Jeff Krause-Pres., (not pictured) Laurie Cannon-V. Pres.

FRENCH CLUB

La Petite Comminaute Francaise d'Amat is the French Club on campus. The purpose of the French Club is to provide a better understanding of the French language and its culture.

OFFICERS: Karlyn Silva-Treas., Lisa Hartnett-Pres., Nancy Baker-V. Pres., Kathy O'Brien-Sec.

JOURNALISM CLUB

Considering the Journalism Club is a brand new club on campus, they had an extremely successful year. Being that it was the club's first year, it was only fitting that the moderator, Mr. Sullivan, be new as well.

The club's major project and most well known was the production of the school newspaper, "The Lance." With eager, excited writers and editors, they managed to get through the hard times to produce one outstanding paper after another.

OFFICERS: Jackie Mollicone-Pres., Kitty O'Connell-V. Pres., Karen Lundstrum-Sec., Jane Kelsay-Treas.

KEY CLUB

This year Amat saw the introduction of many new clubs. One of the most interesting clubs for boys is sponsored by the International Kiwanis Organization and is organized through high schools across the nation. Under the supervision of Mr. Murphy, the Key Club participated in many exciting activities and looks forward to even greater things in the future.

OFFICERS: Michael Horne, Jim Cleary, Dale Nelson, (not shown) Tom Cervantes

LACIDEM CLUB

In today's world, just as in ancient times, there is a need for people to enter medical professions. To answer this call, the Lacidem Club was formed.

Supervised by Mr. Maltez, the Lacidem Club, in keeping with the medical professions' devotion to service, has two Christian Service projects. They conducted a canned food drive for the poor, and organized a blood drive. They look forward to many such activities in the future.

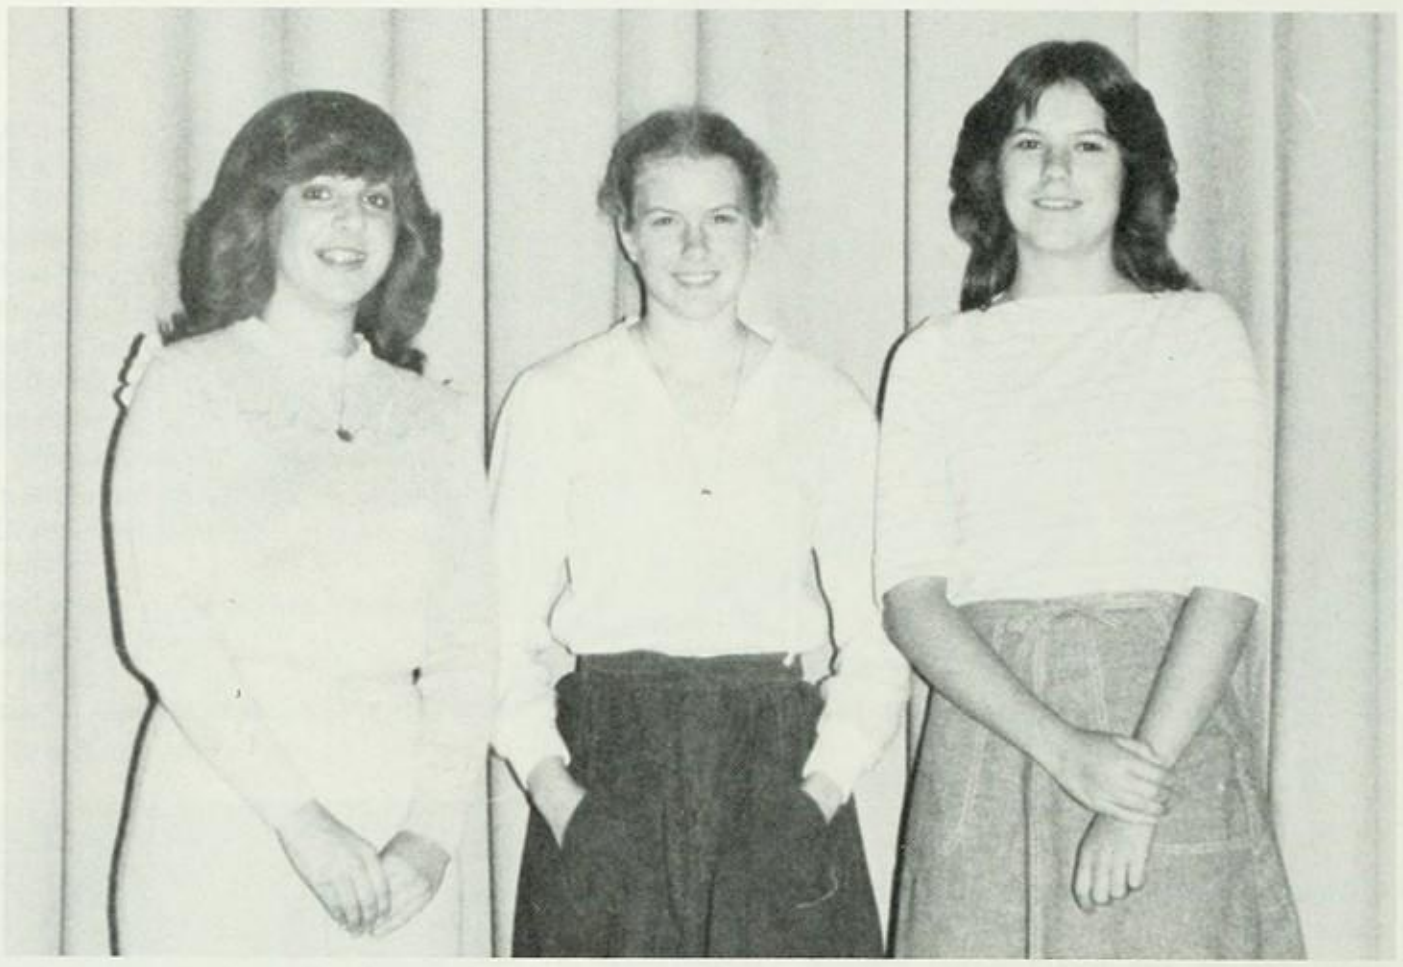
OFFICERS: Rudy Carrillo- Pres., Woo Kang-V. Pres., Maria Gonzales-Sec., Renee Belgarde- Treas.

LATIN CLUB

Bishop Amat is a school built on tradition, and one of the finer examples of this is the Latin Club. The Latin Club is devoted to building an interest in the stories of ancient Rome and the Latin language. The Latin Club is a very spirited group and enjoys many activities. The Latin Club is also very much devoted to service with three Christian Service Projects.

Under the supervision of Sr. Mary Conheady the Latin Club is a vital part of Amat today.

OFFICERS: Lisa Maddox-Sec/Treas., Roanna Millspaugh-Pres., Dianne Knipping-V. Pres.



NATIONAL FORENSIC LEAGUE

The Speech Club is quickly becoming one of the most successful clubs on campus. Competing statewide, the speech and debate members learn and practice the skills of speaking, organization, interpretation, argumentation and analysis in a competitive environment. The club represents Amat at many tournaments and not only as been extremely successful this year, but foresees a great future for its members here at Amat and later in life. Under the guidance of their moderator, Miss Stanzione, the Forensic Squad is on their way to making Amat number one once again!

OFFICERS: Veronica Munch-V. Pres., Najat Bisharat-Pres., Suzy Stanzione-Sec., (not Pictured) John Bartolotti-Sgt. at Arms, Robert Stanford-Treas.

NATIONAL JUNIOR HONOR SOCIETY

The N.J.H.S. was founded in 1929 and was designed to encourage high standards of student performance throughout the country. This club has been in existence here at Amat since 1959.

The N.J.H.S. Club emphasizes scholarship, service, and leadership. It is open to ninth and tenth graders who have an 85% academic average or better. This club promotes academic excellence while helping to develop character and the willingness to serve.

OFFICERS: Stephanie Macsurak-V. Pres., Karina Bruzzese-Sec., Terrianne Link-Treas., (not shown) George Marquez-Pres.

NATURE STUDIES

The Nature Studies Club is a club of fun and learning. Once a month, the club tries to make an outing into the natural environment. Typical places visited included the mountains, deserts, and tide pools; typical activities include whale watching, bird watching, or just plain enjoying the outdoor plant and animal life. The purpose of these outings is to give the members opportunities to become aware of the environment by participating in it.

OFFICERS: Kylene Partin-Sec., Kellie Callahan-Pres., Mary Wicks-V. Pres., Lily Tan-Treas.

PEP CLUB

The Pep Club is very successful in promoting school spirit among the students. The different ways in which the Pep Club arouses school spirit are by organizing cheering sections at most athletic events and selling pom-poms at all the football games.

The club's community involvement included planning a Christmas and Easter party for the elderly at the Beverly Manor Convalescent Home. Other activities the Pep Club participated in were pizza parties, a snow trip, and a trip to Knott's Berry Farm.

OFFICERS: Shirley Baray-Pres., Toni Baca-V. Pres., Paula Hernandez-Sec., Elsy Lucha-Treas.

PHOTOGRAPHY CLUB

While this year was a hallmark for the formation of new clubs many of Amat's more traditional clubs have flourished under new leadership. A fine example of this is the Bishop Amat Photography Club. This club has something for everyone who has the slightest interest in photojournalism: from education of the novice to practice skills for the advanced photographer.

Aside from the fun of taking pictures and developing them, the club, under the supervision of Dr. Marsolais, also serves a useful purpose by providing many of the pictures that are printed in "The Lance."

OFFICERS: Ruth Long-Pres., Joanne Middleton-V. Pres., Maria Johnson-Sec./Treas.

TALL FLAGS

Tall Flags is one of the hardest working and strongest growing performing groups on campus. They perform at halftimes during football and basketball season. They also go to many competitions and parades during the year. With the help of their moderator, Miss Nesci, they put in many long hard hours in perfecting their routines. They go to spirit camp during the summer where they compete in various competitions and with hard work they bring home many ribbons.

OFFICERS: Maureen O'Connell, Rosemary Bonnin, Ana Torralva, (moderator) Miss Nesci, (not shown) Shannon Spohn.

SPANISH CLUB

The Spanish Club is one of the largest clubs on campus and has been for some time. Its main purpose is to share the spirit and customs of the Spanish culture with all the Amat family in the in the Christian way of sharing and caring. The Spanish Club was able to extend its Christianity through the Rosary held in honor of Our Lady of Guadalupe and through its Christian Service project during December, which was the collection of toys for the poor children in Tijuana.

OFFICERS: Cristina Valenzuela-Pres., Lucy Gutierrez-V. Pres., Carolina Lopez-Sec., Hyung Kang-Treas.

VARSITY CLUB

During the Rennaissance, it was believed that strength of both mind and body was essential to the building of good character. As an example of the value of both physical and intellectual abilities is the Varsity Club.

Under the leadership of Mr. Parades, the Varsity Club has engaged in many activities including cleaning up at Van Wig Day Care Center, this year's Christian Service project, and looks forward to many equally rewarding activities in the years to come.

OFFICERS: Arnold Fields, Vince Corso, Don Hiti, James Fisher, Ron Brown.

The 1982 Tusitala Staff is a group of 18 dedicated and creative students. Under the guidance of Mr. Paul McLaughlin, the staff began working in August to produce the best annual possible. The students gained first-hand experience in all aspects of publishing; photography, copy, layout design, artwork and advertising.

The hard work and dedication of this fine staff has insured that the great year, 1981-82, will long be remembered.

Amat's school newspaper, "The Lance," the result of the diligent efforts of the staff members, is published monthly under the direction of Mr. Sullivan. It is one of the more important means for student expression. "The Lance" has been the source of news, information and ideas. With a staff of dedicated students, this school publication met all the challenges put before them this year.

"The Lance" editorial staff: Theresa McCarthy, Patrick McMahon, Jerry Damph, Ann Marie Holbrow, Karen Lundstrum, Jackie Mollicone, Rodney Metoyer, Rueben Lopez.

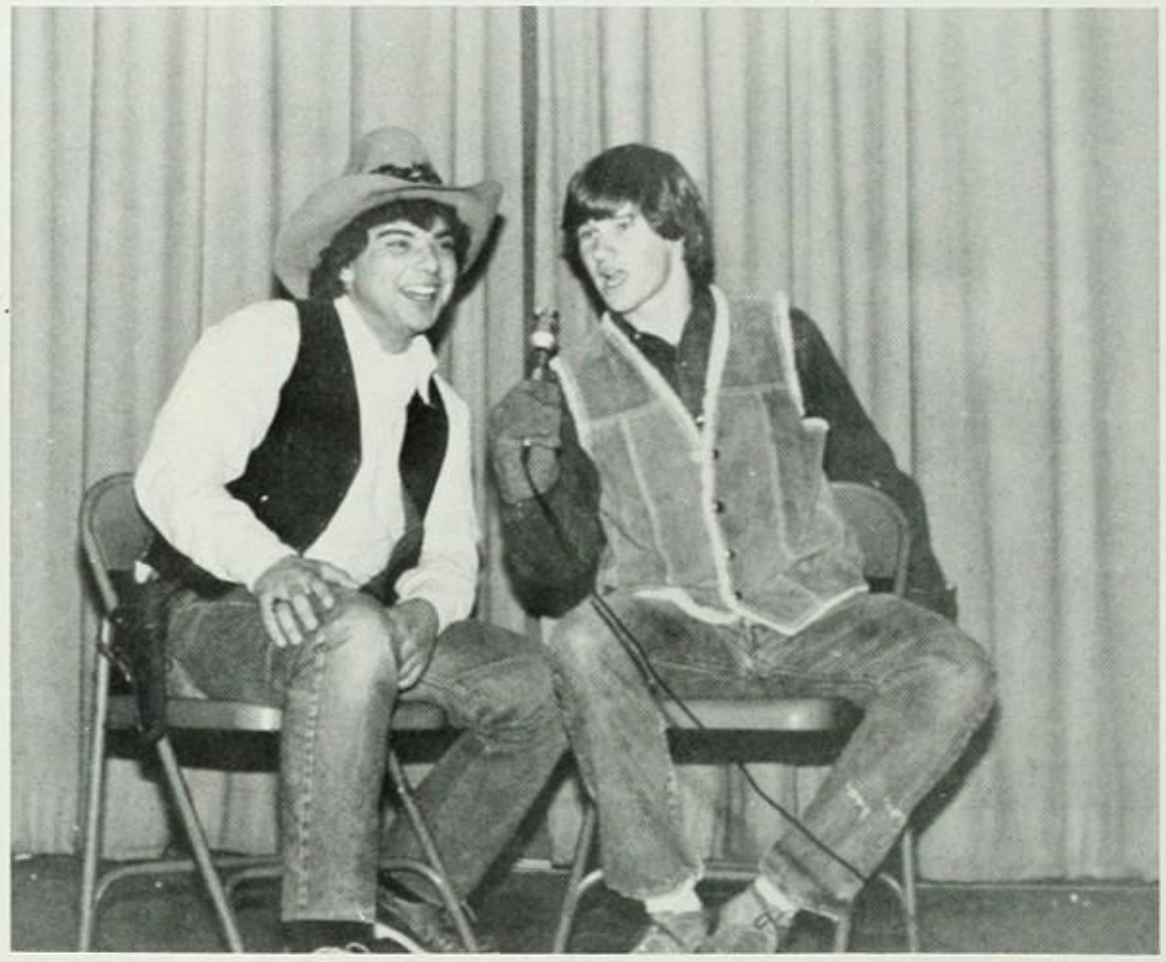
winter/ spring activities

CHRISTMAS BALL

Excitement filled the air as the evening of December 21st grew closer. The grand ballroom of the Inn At The Park in Anaheim was the setting for the 1981 Christmas Ball. "Precious are the Moments We Share" was the theme for the winter formal. The band Zedikiah played the music that filled the evening air.

As the evening drew towards an end, the crowning of Queen Kim Etchebarren and her court, Lisa Hartnett, Rosemary Bonnin, Suzy Schaeffer and Kathy Rice, took place. That was the perfect ending to a night when precious moments were shared.

AMAT STUDENTS



During the past year, students have had many opportunities to express themselves; among these were the Talent Show and the Christmas Play.

The Talent Show, sponsored by the Speech Club, gave students a chance to sing, dance and perform creatively.

The Christmas Play, sponsored by the Drama Club, was a collection of stories depicting Christmas through the ages.

SHOW THEIR TALENT

This year's major dramatic event was the Drama Club's presentation of the Spring Musical, "Oklahoma." It starred John Frazzette as Curly, Julie Grant as Laurie, Ricky Bluthenthal as Jud, and was directed by Mrs. Julie Fanara, with musical supervision by Mrs. Fernandez and choreography by Miss Stanzione. All those involved in Oklahoma, especially the cast and tech crew, worked hard to make it a success and their effort paid off well.

FATHER/DAUGHTER DANCE

The Roaring Twenties was the theme of this year's Father-/Daughter Dance. Gangsters and Flappers "cut the rug" to the Charleston, the 12th Street Rag, and the Varsity Drag. The evening would not have been complete without the reading of the Father of the Year essay. Joanne wrote the winning essay honoring her father, Frank Guzman.

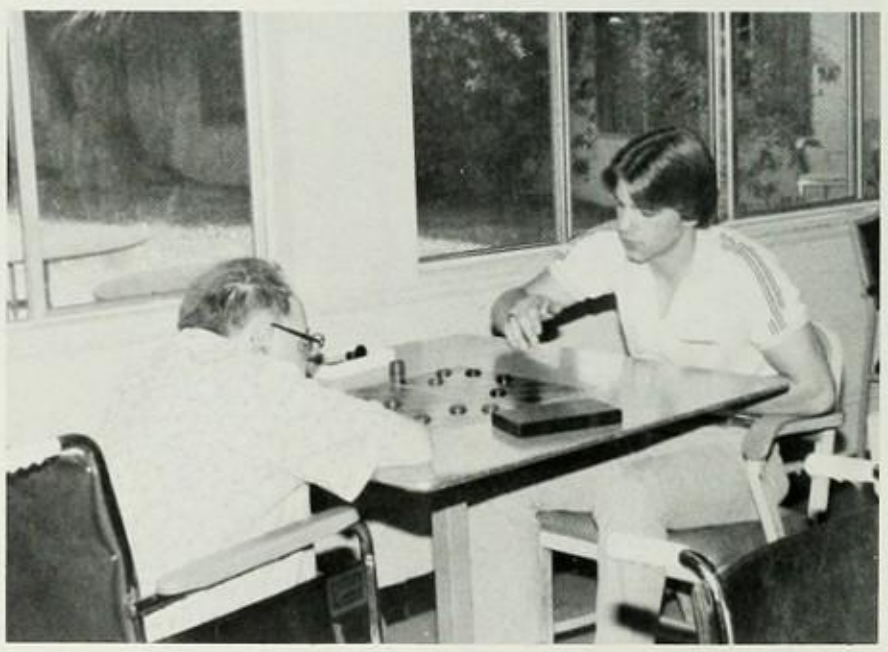
CHRISTIAN SERVICE

"Whatever you do to the least of my brothers, that you do unto Me." Matt. 25:40

Christian Service is love in action. The purpose of the Christian Service Program at Amat is to develop student awareness regarding areas of human need and to provide opportunities for active involvement.

Students visit a variety of institutions, facilities, and locations to provide both direct and indirect service to the aged, needy, developmentally disabled, orphans and abused children.

Sign Language classes are offered on a weekly basis to promote communication with the deaf and hard of hearing.



Amat students also lived their Christian commitment in other ways such as: an A.S.B. sponsored slave auction to benefit the missions, class masses and Tuesday evening retreats organized by Sister Francette.

AMAT STUDENTS

SHARE THEIR LOVE

Many Amat students show their love by working with needy in the community. This year the Lacidem Club promoted Christian Service by collecting cans of food from the Amat family to deliver to the Little Sisters of the Poor, in order to provide and enhance the joys of Thanksgiving. The children of Tijuana gathered in an abundance of joy in order to receive the Christmas gifts given to them by the Spanish Club as part of their Christian Service project. Following tradition, the Senior Class Christian Service project was to share in the gift giving season of Christmas by bringing toys to the children of Dolores Mission.

IN LOVING MEMORY . . .

2000 years ago, Christ gave his life for us on a cross. He gave of himself not only that day but throughout His life. He gave not in asking but hoping that one day we would understand and follow Him. There was among us someone who did understand and who did follow, that person was Mrs. Julia Emeterio. Mrs. Emeterio gave of herself each day, both in and outside of the classroom, both when it was easy to give and when it was hard.

On September 14th, Mrs. Emeterio was called to be with Christ in a place "He had prepared" for her. We the students of Bishop Amat would like to take this time to remember Mrs. Emeterio and all that she gave to the students of our school.

PACIFIC COAST DRUM CO

DBA *Gene's Cooperage Co.*

2200 NO. ROSEMEAD BLVD.
SOUTH EL MONTE, CA. 91733

RECONDITIONED AND RECYCLED STEEL DRUMS STEEL DRUMS MAKE SENSE, ECOLOGICALLY AND ECONOMICALLY.

In the United States, approximately 45 million drums are reconditioned annually. In California, approximately 14,000 drums are reconditioned each working day.

By reconditioning in lieu of manufacturing new drums, we save approximately a million tons of steel annually. Of all steel conserved in the U.S. our industry conserves one-fifth of the total.

Drums can be reconditioned for one-tenth of the energy required to manufacture a new drum. The energy saved is equivalent to one billion eight hundred million gallons of oil annually in the United States.

If drums were not reconditioned, millions of empty drums would end up in our already overburdened landfills. Because reconditioners pay for empty drums, illegal discarding by the emptier is discouraged.

Even with all these benefits going for it, the reconditioned drum saves the buyer approximately one half of the cost of a new drum.

Dear Koren,

I'm really glad we've gotten the chance to get to know you these past two years. We've had some good times. Last year in 7th period was fun. (HA! HA!) and this year during all those dance team practices. (TEE-HEE!) I know what you're thinking - she's weird! You know what, you're absolutely right! Seriously now, you're a super person and good friend, don't ever change. I hope we remain friends and have classes together in the years to come. There's no use saying, "Have a nice summer", because I'll be seeing you during it.

Well, too bad, gotta go (HA! HA!)

Stacie Mair

The year of 1981-1982 began with many hopes and many dreams. Together the Amat family has worked to make those dreams come true. We have seen dedication and pride in the efforts of our athletes and have had the occasion to commemorate such outstanding players as Don Hiti, Ron Brown and Pernell Taylor at our annual sports banquet. We have viewed the growth of our students in their hard work on the annual carnation sale and we have seen the hard work put forth to construct the new Fine Arts building. These accomplishments will be remembered for years to come.

TUSITALA FAREWELL

At the closing of the year, we often look back to the things we have done and that which we had hoped to do. Many times we started with only an idea of a goal which seemed very far away. There may have been some who felt we were chasing rainbows that didn't touch the ground. They thought our dreams were just that . . . dreams. But we have what it takes to make our dreams come true. Throughout this year we have seen dedication, pride, a lot of work, joy, and the overall spirit of the Amat family. Together we have reached our goals and have made real what seemed to many our "impossible dreams".

The Tusitala Staff would especially like to thank our advisor, Mr. Mac, for putting up with us this year. We really appreciate his patience, encouragement, and the many overtime hours he put in which made this yearbook possible. (Thanks Mr. Mac, we're glad you didn't go to Colorado to become a fireman.)
